

Employment Opportunity

Chief Executive Officer (CEO)

Selkirk Development Corporation

Location: Whitehorse, YT

Status: Full-time, Permanent

Wage: Dependent on experience

Closing Date: Until Filled

The Selkirk Development Corporation (SDC) is a progressive organization, owned by the citizens of Selkirk First Nation. With interests in mining, real estate, and tourism, we are a growing dynamic organization, if you are seeking a challenging, rewarding position in a team environment, we have the opportunity for you.

Job Summary: Reporting to the Board of Directors of the Selkirk Group of Companies, the Chief Executive Officer (CEO) is responsible for the achievement of corporate goals and objectives within the established authority delegated by the Board. The CEO will direct the daily operational activities of the company's corporate office and business units. The CEO will provide financial leadership by identifying and evaluating investment opportunities, managing budgets and monitoring long-term strategic fiscal plans, including the achievement of revenue and profitability goals.

Education and Experience:

- A graduate of a degree program in business management or related field with several years of work experience. An equivalency of several years of executive work experience and training may be considered. A strong record of accomplishment and success in business development with related long-term experience may be considered.
