

My name is Rebecca Roberts. I am of the wolf clan. I am a citizen and beneficiary of Selkirk First Nation. I was raised by Audrey Trudeau (Roberts) and Roger Alfred. My parents are Freda Alfred and Benny Joe. I was raised with strong cultural values. I will continue to pass that along to the younger generation.

I graduated high school and went on to work for my community as a bank teller and coordinator for many events over the years. Being raised by strong, respectful, hard working parents, taught me the importance of strong work ethics. I enjoy a traditional and cultural way of life and pass this knowledge on to my children. This is one of the main reasons I started dancing with the Selkirk spirit dancers. I also enjoy hunting, fishing, and to live off the land when I can. One of my passions is singing. I also enjoy modelling and showing how strong and beautiful our Selkirk First Nation people are.

Thank you for considering me to be your wolf council candidate. I will make the best decisions to help make a strong governance and community. We need to stand strong and make a positive change for our future generation. We have to work hand in hand to make this happen.
