

## **Employment Opportunity - Selkirk First Nation**

**Position:** Driver

**Salary:** \$21.42 per hour

**Department:** Health and Social Department

**Status:** Casual Full-Time

**Closing Date:** December 10, 2018

---

### **Job Summary**

This position of Driver would be to provide safe transportation to SFN citizens who have medical appointments to attend in Whitehorse and require transportation to and from the appointment. The driving would be in all types of weather conditions, providing travel is safe. Besides driving, they would assist the patient, if required, out of the van and escort them into the appropriate medical facility then retrieve them once the appointment is over and return them to Pelly. Depending on the time of the appointment, the driver may be required to stay overnight in Whitehorse and return to Pelly the following day. Food and accommodation would be provided.

This position would be required to drive into Whitehorse on an average of approximately 4 times per month but would be dependent on the number of people with appointments for medical issues, which could vary from month to month.

### **Conditions of Employment**

- Class 5 clean driver's abstract
- oath of intoxicants
- oath of confidentiality
- Vulnerable sector Criminal record check
