

SKILLS FOR THE POSITION

- I have worked in many different capacities within the Selkirk First Nation Government to gain experience. Lands, Wellness, Executive, Human Resources, and Education.
- I worked along side with past Councils for 2 terms, 2013-2019. I worked very closely as their Council Clerk. So, I have a good understanding of what a Councilor role is in the SFN Government.
- I attended Yukon University and graduated in 2023 from the First Nations Governance Program, and in 2024 graduated from the Office Administration Program.
- I gained so much knowledge from the First Nations Governance Program. I learnt about First Nations Land Claims, Policies, First Nations self-government structures and much more. I have a better understanding of my self-government.
- I am a very caring, kind, and passionate person, I am about fairness, and open to listening. I enjoy advocating for what is important to us such as land protection, education, safety of our community, and focusing on our future generation, our youth.

ANNETTE ALBERT
(ALFRED) FOR
SELKIRK FIRST
NATIONS WOLF
COUNCILOR

Election day:
April 1, 2026

I WOULD LIKE TO INTRODUCE MYSELF

My name is Annette Albert I am part of the wolf clan with Selkirk First Nation. I have 3 beautiful children, 2 girls and a son. I married my wonderful husband in July 2025.

My parents are Nancy Alfred and Brent Albert. My grandparents are Audrey Trudeau (Roberts) and the late Freddie Alfred. On my dad's side is Gordon Albert and Marlene Albert from Saskatchewan.

I grew up in Pelly Crossing and lived here all my life. I enjoy spending time with family, sewing, and I love being out on the land camping, harvesting. I always find a way to be on the land with my family. I am aware of where my nation needs support.

I am a very traditional person. I value my traditional knowledge and practices that I learnt from my grandparents. When on the land I practice respect, share, care, and teach. If I am not home, I am always out on the land.

I am thrilled and honored to put my name forward this election. My focus is to support and uphold my nation that I am very thankful to be a part of, including citizens that reside outside the community. I would like to be a part of making a better future for our citizens, elders, and youth by carrying on our strategic development plan.

SOME AREAS THAT WILL BE MY FOCUS

OUR COMMUNITY

- Better security for our community.
- More community update meetings.
- Improve communication.
- Improve outside citizen's support.
- Train our citizens for roles in our government.

CAPITAL

- Housing renovations.
- Have houses built that is suitable for our citizens.
- Community building repairs.
- New Youth center for our youth.
- Elders home in our community.

My "mandate" if elected is to stand by our constitution, protect our land, better our education system, support our citizens, and uphold accountability in office.

OUR LAND

- Protect our settlement lands
- Develop settlement land threshold (limit moose harvesting).
- Develop a policy where citizens can build on our settlement land.
- Create more out on the land trips for youth.

EDUCATION

- Advocate for Post Secondary increase living allowance & book costs.
- Advocate for better education system for Eliza Vabibber School for students
- Develop a working relationship with Eliza VanBibber School.
- Create more on the land cultural events.
- Advocate for better literacy, numeracy, and math in Eliza VanBibber School.

WELLNESS

- Improve elders support at home.
- Invest in support for aftercare treatment.
- Education for our youth and citizens on substance abuse.
- Create fairness in support for families and single individuals.

COMMUNITY STRATEGIC PLAN

- Focus on important nation community plans that fit us.
- Take our past vision into the future for our youth and nation.
- Focus on our economic development and community wellbeing for our citizens.
- Develop a safe, welcoming, and respectful workplace.
